PURCHASE ORDER GENERAL TERMS & CONDITIONS

COMPLETE AGREEMENT: This Purchase Order is for the purchase, manufacture and/or delivery of the materials and/or services listed on the front side of this Purchase Order (“Products”); and this Purchase Order, including the Special Terms located on the front side hereof and these General Terms & Conditions, together with any change order(s), exception acknowledgement(s), or other documents signed by Buyer and Seller and incorporated by reference (collectively, “PO”) constitutes the sole and entire agreement between the parties hereto. No other terms or conditions shall be binding upon Buyer unless accepted by it in writing.

ACCEPTANCE: Seller shall cause a copy of this PO to be signed and returned immediately upon acceptance of its terms and conditions. Seller agrees that Buyer may withhold all or part of any payments due hereunder until a signed receipt of this PO is received by Buyer. Should Seller fail to return a signed copy of this PO to Buyer but proceed to supply any Products, Seller shall be deemed to accept the terms and conditions of this PO. Further, Seller shall provide a waiver of lien if requested by Buyer prior to final payment.

PRICE: Seller warrants that the prices provided on this PO comply with applicable law and are as low as any net price now given by Seller to any other customer for like material, quantity and services, and agrees that if at any time during the pendency of this PO, lower net prices are quoted anyone for similar materials or services, such lower prices shall be from that time substituted for the prices contained in this PO.

PACKING AND SHIPMENT: Deliveries shall be made as specified without charge for boxing, crating, or storage, unless otherwise specified. Products shall be suitably packed to secure lowest reasonable transportation costs and to conform to the requirements of common carriers and any applicable specifications. Seller shall be liable to Buyer for any loss or damage resulting from Seller’s failure to act so as to provide adequate protection during shipment. Buyer's order numbers and symbols must be plainly marked on all invoices, packages, bills of lading and shipping orders. Bills of lading shall accompany each invoice. Buyer's count or weight shall be final and conclusive on shipments not accompanied by packing lists.

DELIVERY. TIME IS OF THE ESSENCE FOR THIS PURCHASE ORDER. Delivery shall be F.O.B. place of delivery as provided in this PO and risk of loss shall remain with Seller until the Products in a completed state are received by Buyer regardless of whether or not Buyer has made full payment for the Products. Delivery shall be strictly in accordance with the delivery schedule as provided in this PO. If Seller's deliveries fail to meet such schedule, Buyer, without limiting its other remedies, may direct expedited shipping and the difference between the expedited shipping and the PO shipping costs shall be paid by Seller. Buyer may delay delivery and/or acceptance for causes arising beyond its control. Any substitution of manufacturer or part number must be approved prior to delivery. Failure of Seller to comply with such requirements shall entitle Buyer, in addition to any other rights or remedies, to cancel this PO, return any nonconforming Products to Seller and be relieved of all liability for any unaccepted portion. Seller shall not unreasonably anticipate delivery by purchasing materials or manufacturing quantities in excess of what is reasonably required to meet Buyer’s delivery schedule. Items received in advance of Buyer’s delivery schedule may, at Buyer’s option, be returned at Seller’s expense or be accepted and payment withheld until the original payment would have been due if the Products were delivered at the scheduled delivery date and made net of any storage costs.

Buyer shall be reimbursed by Seller for all of its expenses in connection with the handling and transporting of any such unsatisfactory Products, and Seller shall assume all risks of loss or damage in transit to Products returned by Buyer pursuant to this PO. If any such services shall be found to be unsatisfactory for any reason, Buyer may, in addition to exercising its other rights and remedies under this Agreement or otherwise at law, require Seller to perform the services properly and promptly, without additional cost to Buyer. Buyer's remedies hereunder shall be cumulative and in addition to those provided by law, and shall include without limitation incidental and consequential damages, and reasonable attorneys' fees.
